

**DRUG PRICE LISTS AND
CIRCULARS, 1870-1970
Collection No. 101**

Abstract

The collection consists of drug price lists and circulars from 1870 to 1970. Included are descriptions and prices of products manufactured by approximately 600 firms.

Scope and Content

The collection consists of catalogs of prices for drugs, pharmaceutical products and medical apparatus. Many of the catalogs contain descriptions of the drugs along with the recommended dosage. Circulars on specific drugs and their effectiveness are included.
