6 Boxes  
Collection 106

### Abstract

The collection consists of photographs related to the Lloyd Library.

Gift of the Lloyd Brothers

Collection No. 106

Processed by Rose Marie Weckenmann, November, 1993

### Scope and Content

The collection consists of photographs gathered largely by John Uri Lloyd. Included are numerous portraits of John Uri Lloyd from childhood through his years as pharmacist and author. Represented also in the collection are pictures of Curtis Gates Lloyd, Nelson Ashley Lloyd, and other family members and places associated with them. Photographs of approximately 135 eclectic physicians are also contained in the collection.
