

## Santa Takes a Spill

Santa is delivering presents when he slips on the roof at Lloyd Library and drops some new plants for the children. The name tags came off and Santa is confused. Help Santa get the plants to the right children by solving this logic puzzle. Complete the grid below by using the clues given and you will become one of Santa's favorite elves!

Child	Gift	House

Clues:

1. Abby wanted a peppermint plant.
2. Oscar lives in the red ranch home.
3. The child who lives in the log cabin wants parsley plants
4. Catherine lives next door to the yellow two story house and wants an orange tree.
5. London's best friend Anastasia wants marigolds.
6. The child who lives in the A-frame house does not want marigolds or peppermint.
7. The girl who lives in the blue cape cod loves peppermint.
8. Anastasia is looking out the window of her yellow two story while she is waiting for Santa.
9. The child living in the red ranch house wants a bonsai tree for Christmas.
